General Building Contractor and Painting/Decorators

OUR WORKING SECTORS

By maintaining complete control over our products, we are able to provide the best quality prices and service to our customers. Every aspect of what we do at our factory is incredibly important to us.

SUKOON
CONSTRUCTION Ltd.

About us

We provide a variety of construction services, including banking, retail, leisure, industrial, and health care, to a variety of industries, including banking, retail, leisure, and industrial sectors. All aspects of your construction contract can be handled by us, from project and program management to new construction and site expansion.

Commitment to Excellence

Your Project Comes First.

That shouldn't be a revolutionary idea, but we all know how often a dispute or other challenge can bring progress to a halt. And that's not acceptable. When we partner with a client to complete a project, completing that project becomes our top priority. Everything else is secondary.

When you work with SUKOON, you're also getting an attention to detail and hands-on leadership that is second to none. And we're so committed to seeing through each project successfully that, if we don't think we're the right choice for your project, we won't take it on. It's that simple. You deserve the best team for your job, and if that's not us, we'll let you know.

SUKOON relies on the latest technology and innovations to ensure real-time collaboration between teams, better communication, increased efficiency, and improved project outcomes. Improved technology also helps us to ensure the safety of our team, and any others who are at the work site.

Commercial Contractors

Sukhoon Construction Ltd. is a full-service commercial contracting firm that specializes in providing specialized construction services to industries such as banking, retail, leisure, industrial, and health care. From project management to new projects to expansions of existing sites, we can handle all areas of your construction contract.

Residential Building Construction

Development and planning of residential construction are complex processes. Design, planning approval, building, landscaping, and other residential building construction services. Our expertise is based on in-depth market research and decades of real-world experience.

Color Painting & Maintenance

Our company employs highly skilled and experienced tradesmen who specialize in refurbishment and maintenance across all industries, as well as scheduled and ongoing maintenance to serve our clients. Furthermore, we provide comprehensive customized maintenance and refurbishment services.
